MANUFACTURED UNDER LICENSE BY ELECTRONIC ARTS.

Starting The Game

1. Set up your PlayStation™ game console according to the instructions in its Instruction Manual. Make sure the power is OFF before inserting or removing a compact disc.
2. Insert the *World Cup 98* disc and close the Disc Cover.
3. Insert game controllers and turn on the PlayStation game console.

Note: When using the Multi-Tap, at least one controller must be connected to port 1-A.

4. After the opening video, press the START button when prompted to proceed to the Match Select screen.

It is advised that you do not insert or remove peripherals or Memory cards once the power is turned on. Make sure there is enough free blocks on your Memory card before commencing play.

In-game Management and Tactics

In-Game Management I.G.M.

Use In-Game Management, to change a team's formation and strategy during play. Once you press a button to activate formation and strategy, that setting remains permanent until another is activated or a new game is started.

To program in game Formation and Strategy select the TEAM MANAGEMENT option from the Match Select screen or Pause Menu.

Press SELECT to cycle between BM #1-3.

In-game Tactics I.G.T.

In-Game Tactics are a set of plays which, when activated, your team runs of your command.

To activate Tactic Mode, hold L2 + R2 while executing the command. To exit Tactic Mode, release L2 + R2.

Toggle In-Game Management.

Saving and Loading Games

You can save your *World Cup 98* progress and settings at the completion of any match. If you exit the game mode without saving, you lose all progress made during that gameplay session.

To Save a World Cup Tournament:

1. After a World Cup match, the next World Cup Stage screen appears. Press the  button twice.
2. Directional button DOWN to Save Game icon, then press the X button. The Save Game menu appears.
3. Directional button UP/DOWN to highlight the slot to which you want to save, then press the X button. The tournament is saved.
4. Press the X button to exit.

To Load a Saved World Cup Tournament:

1. From any World Cup menu, Directional button DOWN to highlight Load Game icon, then press the X button. The Load Game menu appears.
2. Directional button UP/DOWN to highlight the tournament you want to load, then press the X button. The tournament loads.
